**Montana Employment and Training Services (MT E&T) provides job training and support to Montanans who qualify for food or cash benefits.**

## **As a Montana E&T partner, you can help your community and your organization**

Employers are facing a shortage of skilled workers. Montana E&T can help. When you partner with Montana E&T, you get tax breaks, qualified job candidates, and employees trained to fit your needs.

### **Find qualified workers**

We partner with you to train Montana E&T participants to qualify for your job openings.

This training includes:

- Job shadowing
- Coaching
- Hands-on experience

This training is free for the employer. The employer offers the chance for trainees to get on-the-job work experience.

### **Access motivated job candidates**

Montana E&T participants want to find the next step in their career. Montana E&T services help them find success.

### **Qualify for tax incentives**

You can maximize your Work Opportunity Tax Credits by hiring someone who gets food and cash benefits.

### **Find and keep employees**

We work with partners to train Montana E&T participants in needed fields like call center representatives, construction workers, culinary arts, or welding. Call us to talk about what you need.

### **Help your community prosper**

As a Montana E&T partner, you can help people in Montana get the jobs they need to support themselves.

*“I just wanted to share that I have been out of the workforce for the past 6 years due to family care needs. Through the Maximus program I updated my resume and accessed new resources to help me find a job. Through the Maximus webinars I gained new confidence and increased knowledge on careers and the work industry as a whole.”*
